AARDENBURG

# ALPHA S PLUS

## EXTRA WORKING RANGE FOR THE SERIOUS HOBBYIST

Smart and effective. For the hobbyist who chooses the convenience of a moveable mowing area. Lightweight and well-built mulcher with mechanical side adjustment especially designed for small tractors without hydraulics. Modelled on the professional models with all the associated functionalities. Ideal for estates and small farms. The ALPHA S plus can mulch woody plants with flail hammers or grass with Y-knives.

### 1. Side Shift

Simply adjust placement (hydraulically) to mow under shrubs and trees

### 2. Lightweight

Optimized for light and low-power compact tractors

### 3. Robust

Easily mows high grass

### 4. Versatile

Pick from 3 tools to fit your job

### 5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
