AARDENBURG

ALPHA XL MEGA

THE ULTIMATE POWERHOUSE FOR LARGE-SCALE OPERATIONS

Designed for large-scale operations, this, 5000mm machine offers the perfect combination of mowing and mulching capabilities. The innovative trio-blade knife setup ensures a precise grass cut, while the integrated counter-knife bar delivers a finely chopped mulch that improves soil health and nutrient absorption. Built for durability, flexibility, and speed, the Butterfly Mulcher is compatible with CAT 2 tractors ranging from 160-250 HP, with 200 HP being optimal. With safety features such as fall protection valves and heavy-duty steel chains, it guarantees reliable and safe performance in any environment.
