AARDENBURG

BETA M GRIZZLY

MAXIMUM PRODUCTION WITH MEDIUM TRACTORS

Very powerful and productive. For the professional who is looking for maximum production. Cold-forged heavy hammers and mulching doors enable high production. All-round protection thanks to spring buffer suspension, bumper profile and gearbox protection. Specially designed for farmers, landscapers, contractors and municipalities with varied green spaces.

1. Proffesional

Special reinforced Grizzly design intended for consecutive use

2. Side-shift

Simply adjust placement hydraulically to mow in between or underneath trees, hedges or fence posts.

3. Long-lasting

Enjoy a long-lasting machine with a spring buffer, bumperprofile, tilt and gearbox protection

4. Premium

Enjoy premium quality with Italian Comer© gearbox with 3-4 V-belts and belt Automatic tensioner

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
