AARDENBURG

BETA M

THE IDEAL COMPANION FOR YOUR TRACTOR

Flexibility in a small package. For the demanding semi-professional user. Precise and controllable gardening thanks to wide adjustment possibilities. Very good results even when used in undulating terrain or when the mulcher is used vertically. Ideal for small medium-sized estates and farms, ditch banks, embankments, hedges, road sides and orchards. If required, the BETA M can mulch woody plants with a hammer or grass with Y blades.

1. 2in1

Switch between mowing and mulching with integrated mulch door

2. Robust

Easily mows high grass

3. Lightweight

Optimized for light and low-power compact tractors

4. Dual-hitch

The special dual-hitchs fits both compact and mediumsized tractors

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
