AARDENBURG

BETA XL GRIZZLY

THE ULTIMATE OFFSET ALLROUNDER

Fast and powerful. For the professional with large overgrown areas and little time. Double-walled construction for extra resistance to damage from stones and sandblasting. Cold forged heavy hammers and hydraulically operated mulchingű doors allow for high production output. Highly suited for vigorous maintenance of sloping grounds and vertical vegetation by farmers, growers, contractors and municipalities.

1. Proffesional

Special reinforced XL Grizzly design intended for consecutive use

2. Premium

Enjoy premium quality with Italian Comer© gearbox with 5 V-belts and belt tensioner

3. Robust

Shred woody plants with cold forged serrated hammers of 1,650 grams, originaly found on forest mulchers

4. 2in1

Hydraulically switch between mowing and mulching with integrated mulch door

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
