AARDENBURG

BRENSEL M

PERFECT FIREWOOD FOR YOUR WOOD BURNING STOVE

Versatile and mobile. Great working range and capacity in a small package. An optimised wood processor ideal for cutting prunings into firewood for stoves and burners. The integrated bag holder immediately catches the fine wood chips and makes it easy to store your firewood. Best suited for the ECO conscious and cost-conscious users

1. Ergonomic

Enjoy a stable, height-adjustable work platform for a secure workspace.

2. Dual-hitch

The special dual-hitchs fits both compact and mediumsized tractors

3. Simple

Proven simple mechanical operation and safety

4. Compact

Be amazed at the limited storage space needed during transport or off-season storage

5. Longlasting

Experience a heavy-duty, robust logger designed to handle demanding tasks
