AARDENBURG

OMIKRON M

THE IDEAL COMPANION WHEN TILLING FOR YOUR TRACTOR

Productive and economical. For the grower who wants to save time but has to keep an eye on costs. Excellent, even results thanks to the strong, shock-resistant gear drive. Flat and even top layer through precise pressure control of the tailgate. Great for the farmer and serious gardener with uncultivated and heavier cultivated soil. Add more flexibility with the OMIKRON M PLUS with hydraulic side shift.

1. Protected

Enjoy a longer lasting machine thanks to the shear bolt overload protected PTO

2. Gear-drive

Easily works trough heavy loads with the special gear drive in a special oil filled housing

3. Adjustable

Simply adjust the tillage depth with the elliptical skids and crumble with the adjustable spring tensioned tailgate

4. Robust

Easily tills heavy (clay) soils

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
